2008 All-4-Fun – Leadville, Colorado

August 2, 2008 - August 9, 2008

The Mile-Hi Jeep Club and the 2008 All-4-Fun Committee are happy to announce our 42nd Annual All-4-Fun Week. This year's event will be held August 2, 2008 thru August 9, 2008 in Leadville, Colorado. All-4-Fun is a family oriented 4-wheel-drive adventure.

Activities are planned for the evenings throughout the week. One evening includes a barbeque meal (included in your registration fee). We have support from many manufacturers and vendors from across the country including, WARN, Rancho Suspensions, Bestop, Clemson 4 Wheel Center, Tellico 4x4, Quadratec, 4 Wheel Parts and 4 Wheel Drive Hardware just to name a few. These and other sponsoring companies contribute to the nightly entertainment as well as provide tremendous prizes. If you desire to participate as a vendor or prize contributor, please contact the All-4-Fun Committee at 2008MHJC@comcast.net. The Mile-Hi Jeep Club continues to receive tremendous manufacturer and vendor support for the All-4-Fun drawings. Past All-4-Fun donations to the Children's Hospital and Colorado Off Highway Vehicle Coalition (COHVCO) are in excess of \$100,000.

Camping space will be available for your camp vehicle or tent within our unprepared campground. We will provide portable latrines and access to potable water; you must be self-sufficient. There are no electric, water or sewer hook-ups.

In planning your trip, please remember that summer in Colorado can bring any and all types of weather. Be prepared for pleasantly warm days and chilly nights as well as possible wind and rain. For information on services available in the Leadville area, visit www.leadvilleusa.com

The 2008 All-4-Fun registration fees are as follows. For one registered vehicle and driver, \$200.00 (any number of licensed drivers may drive the vehicle but only one person can be designated as the "registered" driver). Passengers eighteen years of age and up are an additional \$50.00. Passengers five through seventeen years of age are \$25.00. Passengers under 5 are free. A check or money order for the full registration fee must accompany your registration. Registration fees are refundable if a written request is received by June 1, 2008. **No exceptions will be made for refund requests after June 1, 2008.**

All attendees must be pre-registered. NO on-site registration will be accept

Please make your checks payable to **MHJC/All-4-Fun** and return to:

2008 All-4-Fun – Leadville, Colorado August 2, 2008 - August 9, 2008

Leadville (pronounced "led" as in the metal lead, not "leed" as in "lead a horse to water",) made its fortune in silver, which was mined in a heavy carbonate of lead. Because there were lots of "silver" named towns at the time, the founding fathers suggested Leadville. Other names originally considered included Carbonate, Cerrusite, and Meyer (after a prominent citizen). A short period after this, during a time when the name could have been changed, names suggested included Lead City, Agassiz, Harrison, and Carbonateville. Nicknames for Leadville include "The Magic City" and "The Cloud City", (at two miles high the city is sometimes *in* the clouds). At the hub of the Top of the Rockies Byway is the historic city of Leadville, North America's highest incorporated city (10,430 feet elevation), and the frontier West's wildest, richest, silver mining Boom Town.
